

MISSION SAN JOSE ELEMENTARY

MSJE Parent Teacher Club Contribution Drive

Are you interested in math or science competitions for your child, such as Math Counts, Odyssey of the Mind or Science Olympiad? Would you like for your children to have access to STEM, Chess, Arts or Sports programs at MSJE? Do your children enjoy coming to picnics, Halloween carnival or Movie Nights at school? If so, please consider donating to the MSJE PTC. All these programs, activities and events are organized by volunteer parents/teachers and funded by the PTC. In order to provide these things for our children at MSJE, the PTC runs an annual Contribution Drive. The Contribution Drive is the main fundraiser for the PTC, a MSJE specific parent-run organization focused on enriching the school experience for our children.

The suggested donation amount is **\$225** per student for the whole year, and it will go towards funding of programs and activities across all grades. Without your support we cannot provide all of these educational and recreational activities that sustain MSJE’s educational excellence. Your donation is **fully Tax Deductible** and a receipt will be provided upon request. You may use Paypal by going to www.msje-ptc.org or by credit card on Konstella. If you want to mail a check, please send check to MSJE PTC, 43545 Bryant St., Fremont, CA 94539 payable to “MSJE PTC”.

We appreciate your support and our children thank you.

Double Your Donations! Please check with your employer if your company matches funds. MSJE-PTC is a fully qualified organization in good standing with Bright Funds, Benevity, YourCause, and Fisintegratedpayables. In most cases, you can search for MSJE-PTC using our Federal EIN: 94-3090415
